

Fall 2011

It's time for festivals, football games and family outings.

Whether it's your daily driver or your Sunday sports car, now is the opportune time to bring your car to us. We'll check tires, fluids, belts and hoses for worry-free outings.

"The last thing anyone needs is to forget regular maintenance," says Jim Lindsey. "Fall is one of the best times of the year for driving with family and friends, but there's nothing as frustrating as a car problem. With regular maintenance, we can keep your car in great shape and your travels stress-free."

Stay on top of your car's maintenance this Fall. Hit the road for fun! Schedule an appointment today and leave your troubles behind.
